

This guide to our prices and fees, is for our photography services and covers our Orange County photography rates.

Please contact us directly to discuss quotations for any work outside of our area (more than 50 miles from Laguna Niguel, CA) - we would be happy to work with outside companies in other counties but charges and fees may vary depending on travel distance and time and other factors.

Exact figures depend on many factors, such as how many images you want and how you want to use them - please just ask for a no obligation quotation or estimate.

We give you a full breakdown of our rates and costs, and will clearly explain all the available options that might best fit your needs.

The table below gives an idea of our typical daily rates, however, we will always provide a detailed quote to match your specific requirements.

Orange County Standard Hourly/Day rates			
	Standard Image use	Extended Image use	Premium Image Use
1st hour	\$150	\$200	\$350
Additional time per hour or part	\$100	\$125	\$175
Half-day rate	\$350	\$475	\$975
Day rate	\$650	\$750	\$1500
Notes:			
* Minimum half day for photography services outside of Orange County			
* Precise rates vary with the number of images required, and their anticipated usage.			
* Rates are exclusive of travel and any image processing charges listed below			

Travel	Price (excl. VAT)
Orange County area	Free of charge.
California	Charged on a mileage basis. No charge for travel time. May include overnight stay charge.
US territory	By special arrangement.
Image Supply	
CD writing cost	\$14 +\$3 per additional CD
DVD writing cost	\$17 +\$7 per additional DVD
Image processing	From \$30 to \$270 (\$45 a typical 1/2 day job)
Additional bespoke	
Photoshop work	Charged on hourly basis at \$75/hour or part thereof.
Additional studio setup (props etc.)	Charged at cost by prior arrangement.
Prints of images	Available to special order.

We supply images in RGB digital form on CDs. We will usually supply high resolution files in TIFF or Photoshop format at a 'print ready' resolution of 300dpi. JPEGs, other format files and other resolutions are no problem.

We have a 'processing' charge that covers preparation of images after capture. This varies with the type of work (and quantity) undertaken.

Please note that as part of our quality control procedures, we will only supply images in CMYK formats upon receipt of precise ICC profiles and/or conversion details, along with a written specification of the conversion requirements (Note there may be a charge for some CMYK image conversion work).

Additional specialist image manipulation (Photoshop) is by prior arrangement and depends on the type of work undertaken.

PRODUCT PHOTOGRAPHY

Basic product shots are usually carried out at our studio on a per item basis, and depends on number of items. More complex setups may be charged on a time basis, as per our normal commercial rates - please do feel free to call to discuss what you require.

FOOD AND BEVERAGE PHOTOGRAPHY

Food photography is usually carried out on location on a per hour basis, but it varies depending on number of items. Half day minimum is required for studio based photography and food designer is an added cost - please do feel free to call to discuss what you require.

REAL ESTATE PHOTOGRAPHY

Real estate and architecture photography is carried out on an hourly basis. Same packages apply (half and full day)
